The tougher of the two courses, the Pines Course measures over 7000 yards from the championship tees. Employing the wild shaping of the links courses and a natural bunker style this course offers a rugged beauty as well a tough but fair golfing challenge.

The easier of the two courses, the Dunes

Course measure over 6500 yards however Sueno Dunes will punish poor play. Still employing the wild shaping of the links used on the Pines course the Dunes course utilises a more conventional resort bunker style thereby setting a resort style of challenge.
