

CORNELIA - ROBINSON NICK FALDO GOLF

Faldo Design, Nick Faldo's Golf course design company, has announced that it has been appointed to undertake the design of a 27 hole championship golf course in Belek.

This is how Cornelia Golf Course was created. It has 3 parts: The King, the Queen and the Prince course, each consisting of 9 holes.

Elevated tees, tight driving holes where position of ones tee shot is crucial to approach the greens and the par 5s are real 3 shotters. One needs a very careful strategic game to score well. Cornelia is undoubtedly the most difficult of all courses, due to the penal rough under the trees in the pines and sand areas. Some holes have pines actually on fairways!

In Cornelia Golf Club guests will enjoy magnificent golf and mountain views in 4800 square-meter clubhouse with unparalleled service.
